— 1 x — 03-02887

— 4 x

For å montere sveivhåndtaket på den elektriske sagen må du først fjerne det eksisterende håndtaket og deretter montere sveivhåndtaket ved hjelp av det eksisterende hullmønsteret og de originale boltene. Monter i følgende rekkefølge: håndtak, feste+elektrisk boks, sagslede og sveiven under sagsleden.
